

Project Sheet **Dukes Hotel**

Location **London**

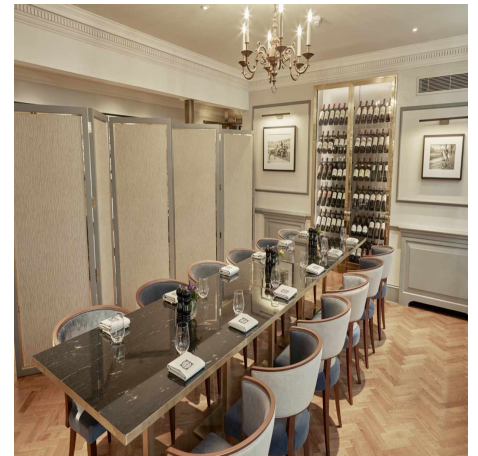

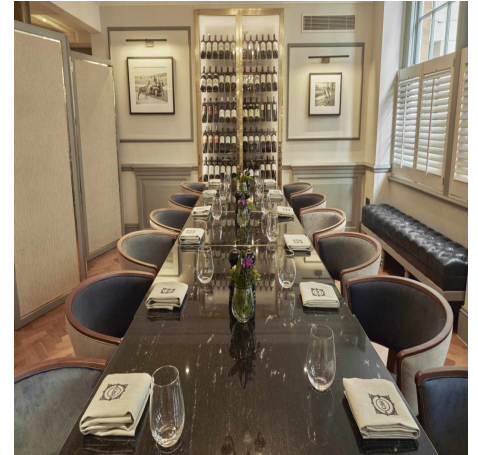

Timing **9 Weeks**

ecsec successfully won the tender to refurbish the 56 seat restaurant (GBR) in The Dukes Hotel, Mayfair, which includes a private dining area that seats up to 12 people.

The contract took 9 weeks to complete and cost over £250,000.

Designed by Design LSM the brief was to build an elegant yet casual dining space. Special features include bespoke antique mirrors to the ceiling and walls and aged bronze cladding to the bar. There's a bespoke brass entrance door and wine display, parquet flooring and plantation shutters.

Some of the challenges were working within a 5 star property, ensuring there were no disruptions for the guests or to the day to day running of the hotel.

At ecsec we pride ourselves on delivering projects to the highest quality within budget and on time. To find out more please get in touch.
